

He Called My Name Lyrics & Chords

By Michael Combs

Verse 1

(G)they asked old (C)Lazarus, could you (G)explain
how a man can be (D)dead, and then live (G)again,
why, that's just in(C)sane.
than Lazarus said (G)boys
i heard a (C)voice.
he spoke right to (G)me,
and death set me (D)free,
when he called my (C)name.

Chorus

(G)he called my (C)name, and i heard his voice,
he called my (G)name, and i made my choice.
i knew my (C)life would never be the same,
after he (D)called, (after he called)
he called my (G)name.

Verse 2

they asked Zacchaeus
can you tell us about jesus,
in a sycamore tree,
he said i climbed up to see,
the lord pass my way.
but the savior called out.
today i'll stay at your house,
so i took him in, he forgave all my sins
and he called me my name.
