

I Can Trust Jesus Lyrics

By The Collingsworth Family

Verse 1

(G)God picked up a (Em)sparrow that could no longer (C)fly
He brushed off its (G)wings and then watched it (Em)soar into the (D)sky
If He's (G)mindful of cre(Em)ation, on this I can (C)depend
I am His (G)child and I can place (Em)all my (D)trust in (G)Him

Chorus

(G)I can trust Jesus, I can trust (C)Jesus
He never (G)once has failed to meet my (D)needs
He is my (G)strong tower, the strength in my (C)weakest hour
I can trust (G)Jesus, (D)He takes care of (G)me.

Verse 2

I have prayed some prayers and felt they never were heard
But I held to God's hand and kept right on trusting in His word
My wants and God's desires don't always agree
But I lean on His will for He always knows what's best for me.
