

I Will Overcome Lyrics & Chords

By The McRaes

Verse 1

(G)When the (D)battle I'm fighting (G)brings me to my (D)knees
When I feel alone and stranded and (Em)no one seems to (A)see
I won't (G)let this valley (A)steal my faith It (Fm)won't have the victo(Bm)ry
I'll (Em)stand upon the Word of (D)God, I will (G)overcome with (A)Him

Chorus

I will (D)triumph in the (G)trials, I will (D)glory in the cross
I will (G)stand upon the (D)mountain, walk (Em)through the fire un(A)touched
Though the (G)world may rise (A)against me, my (D)strength is in the (Bm)Lord
(A)I will (G)be an over(D)comer, for He has (A)overcome the (D)world

Verse 2

Problems may be great, but my God is greater still
So I'll walk out of this valley, and proclaim the Father's will
And when it feels just like the end, He will open up the door
I know that I shall overcome and be much stronger than before
