

Living By Faith Lyrics & Chords

Written by James Wells

(D)I care not today what the morrow may bring,
if shadow or sunshine or (A)rain,
the (D)Lord I know ruleth o'er everything,
and all of my (A)worry is (D)vain.

Chorus

(D)Living by faith in Jesus above,
trusting confiding (E)in His great (A)love;
From all harm (D)save in His sheltering arm,
I'm living by faith and (A)feel no (D)alarm

(D)Though tempest may blow and the stormcouds arise,
abscurring the brightness of (A)life,
I'm (D)never alarmed at the overcast skies,
the Master looks (A)on at the (D)strife.

(D)I know that He'll safely will carry through,
no matter what evils be(A)tide,
why (D)should I than care, though the tempest may blow,
If Jesus walks (A)close to my (D)side.

(D)Our Lord will return to this earth some sweet day,
our troubles will then all be (A)o'er,
the (D)Master so gently will lead us away,
across that blessed (A)heavenly (D)shore..
