

Looking For A City Lyrics & Chords

By The Gaithers | Chuck Wagon Gang

Verse 1

(G) Here among the shadows (C) in a lonely (G) land,
We're a band of pilgrims on the (D) move;
(G) Burdened down with sorrows, (C) shunned on every (G) hand,
We are looking for a city (D) built (G) above.

Chorus

(G) Looking for a city, (C) where we'll never (G) die,
There the sainted millions, (A) never say good(D)bye,
(G) There we'll meet (C)and our loved ones (G)too,
Come O Holy Spirit, (D)all our hopes (G)renew.

Verse 2

Here in disappointment we so sadly roam,
Friends no longer speak one word of love;
O we have found contentment, Jesus promised us a home,
And I'm looking for a city built above.

Verse 3

In this land of dangers going here and there
Trusting in the blessed Saviors love;
Tho' we may be strangers, in this world of care,
Looking for a city built above.
