

That Sounds Like Home to Me Lyrics & Chords

By Aaron Wilburn

Verse 1

(D)Somewhere just across the Jordan (G)River
(A)There's a place of everlasting Joy and (D)peace
Where the tree of life is blooming there for(G)ever
And a (A)crown of life is waiting there for (D)me

Chorus

(D)That sounds like (G)home to me
Like where I (D)want to be
There'll be no tears to fill our eyes (A)again
The hills will (D)echo with the story
As we (G)sing of His grace and glory
Where the (D)saints of God will be
That (A)sounds like home to (D)me

Verse 2

(A)They say there are mansions there inside that (D)city
A crystal (Em)river flowing by the tree of (A)life
And there's no pain no disappointment there to (D)hurt us
And (Em)Jesus Christ, Himself, will be the (A)light.
