

Still I Will Trust You Lyrics & Chords

By Brooklyn Tabernacle Choir

Verse 1

(F)I've (G)climbed a mountain, I've (C)walked a valley low
And (Bm)there's a hand guiding (Em)me where (Am)to go (D)
So (G)I cannot question when (C)storm clouds come my way
For (Bm)I have (Em)placed my trust in You, and (F)You alone (D)

Chorus

(G)Still, I will trust You, (C)Still, I (F#m) will (D)follow
(G)Still I will listen, to (C)Your every calling
(C#)While the (C)storm, it (B)rages on, and (Em)I (F#m)can't (Em)find my (A)way
(Am)Still (Bm)I (Em)will (D)trust You, (G)Lord. Yes

Verse 2

When in my dark hour, You restored my weary soul
You led me to that resting place and made me whole
So I cannot question, through stormy billows roll
My faith is secure, safe is my trust in You alone.

Chorus

Still, I will trust You, Still, I will follow
Still I will listen, to Your every calling
While the storm, it rages on, and I can't find my way
Still I will trust You, Lord. Yes Que a su Iglesia Él viene a buscar.
