By The Perry's

Verse 1

(G)I know you are going through the fire
(C)Its getting hard to stand the (G)heat
But even harder is the (C)wondering
(Am)Is God's hand still on (D)me (Am)
(Em)Its lonely in the flames (C)and it seems
you'll make it one more (D)day (Am)

Chorus

But the Potter knows the (G)clay
How much pressure it can (C)take
How many times around the (D)wheel
'Til there's submission to His (G)will
(Am)He's planned a beautiful (G)design
but it'll take some fire and (C)time (Am)
its gonna be (D)okay (Am)
'cause the Potter knows the (G)clay

Verse 2

Friend I just came through that fire
Not too very long ago
And looking back I can see why
And that my God was in control
But on the hottest days I'd cry
Oh Lord, isn't it about time
