

With All The Many Miracles Lyrics & Chords

By Rodney Griffin

Verse 1

(G)God gave a (C)bold command
To cross the Jordan and (F)take the (C)land
Not to (G)worry about the giants they would (C)face
(D)But when the (C)spies returned
To tell the others (F)what they had (C)learned
They (G)said, (Bm)"For us to (G)win, there's just no (C)way."
(D)Still two of them (C)trusted God, Caleb and (F)Joshu(C)a
They said, (G)"Children, don't believe what you have (C)heard.
We know we're out-manned by far and they're much bigger than we are (F) (C)
But let's (G)not forget just who it is we (C)serve."

Chorus

(C)With all the many (F)miracles,
(G)Why don't you think it's (C)possible?
With all the many things we've (D)seen, (G)
Why do you think it's (C)just (B)a (C)dream?
With all the things He's (F)done for us,
Don't you think it's (C)time (G)we (A)trust?
(C)Remember what is possib(F)-(G)-le
With (C)all the many (A)mi(G)ra(C)cles.

**Verse 2**

Like when we were about to die
Manna fell from the sky
And water came from a dry old dusty rock
And back when Pharaoh was closing in
God closed the sea again
But not before we all had safely crossed.
So, here you are, my friend
You face a battle you cannot win
And you tell yourself, "There's just no need to try"
Consider how good God's been
He's been faithful time and again
You must believe and here's the reason why.

Chorus

(C)With all the many (F)miracles,
(G)Why don't you think it's (C)possible?
With all the many things we've (D)seen, (G)
Why do you think it's (C)just (B)a (C)dream?
With all the things He's (F)done for us,
Don't you think it's (C)time (G)we (A)trust?
(C)Remember what is possib(F)-(G)-le
With (C)all the many (A)mi(G)ra(C)cles.
