Your grace and (C)mercy, (G)brought me (C)through

### Verse 2

(C)Thank You, for saving a (F)sinner like (C)me

### Verse 3

Justice demanded, that I should die  
But grace and mercy said oh, no, oh, no, oh no,  
we've already paid the price  
I once was blind, but thank God I can see  
It was because grace and mercy came along and rescued me.
